PROJECT W.I.T.T.

WISDOM IN TROUBLED TIMES

BECAUSE OF YOUR PRAYERS AND FINANCIAL SUPPORT

Merry Christmas & Happy Holidays

I speak JOY TO... "YOUR WORLD" not just "the world!"

Here's Why:

Did you know the world health organization says the 2nd leading cause of death among youth 15 - 29 is suicide? And it's the 3rd leading cause of death in those ages 15 - 45! It accounts for 57% of all violent deaths!

GOD HAS GIVEN PROJECT WITT AN INCREDIBLE SUICIDE PREVENTION TOOL. IT'S WORKING AS WE WORK IN GRADE SCHOOLS WITH ADOLESCENTS (10 - 13 yrs) AT THE HIGHEST POTENTIAL SUICIDE RATE!

Here's what one of our students wrote to us:

Hello my name is Hernandez, I am a student at LaSalle Prep in the 8th grade. The WITT Program unites students in our school by speaking words of life to people. The staff tells us to love each other and to let people know they are worth it, that they are loved and wanted in life and to never give up.

I love the WITT Program and I love all of you. I am glad to have met all of you. AT FIRST, I WANTED TO HURT AND KILL MYSELF, but then I met people like you. You are the reason why I am here and why I am up here saying this!

You guys are like the family I always wanted. You are my hope! I love you truly and I have no regrets in meeting you guys. You will continue to shine like Gold in my memories. Thank you for being here for me and thank you for being my family.

Dear Reverand Coplin,

It is with great pride and appreciation that I am writing you this letter of gratitude. Thank you for facilitating our Faculty Meeting during the month of April. You and your team at Project Wisdom in Troubled Times (W.I.T.T.), provided a memorable Professional Development (PD) and learning opportunity for the administrators, teachers, and support staff at MST High School. For that, I am eternally grateful. The PD allowed adults to "Sit in the Love Seat" and hear from their colleagues about how they loved and appreciated what they brought to the table. Allowing participants an opportunity to hear words of affirmation from their peers was impactful. This activity has left a lasting impression. I believe the genuine love and appreciation for their skills and attributes impacted their instructional practices for the last semester of the school year. We look forward to working with you in the future.

In addition to providing us with high quality professional development, your weekly Lunch Bunch Groups have had a major impact on the climate and culture of our school. As you know, when climate and culture is high students are more engaged and they perform better on their school assignments. This past school year we were notified by New York State that we are now an LSI school, which means that our state designation has been changed to a school in good standing. The work that you and your team are doing here is a part of the change in our state standing. Thank you for all that you do for MST High School.

We look forward to many more years of a successful partnership with you and your staff. Please let us know if there is anything we can do to strengthen our partnership.

Sincerely,

Danielle Womack

Lets continue with our 101 Things to say, to speak life into your day! ...

- 71. I will speak life over my life today and then I give thanks!
- 72. I don't smoke dope, I speak hope!
- 73. I will check myself before I wreck myself!
- 74. I'm gonna put a smile on somebody's face today, starting with my own!
- 75. Why should I settle for less if I can have the best?
- 76. What could cause me to live longer, "smoking dope or speakin hope?"
- 77. My maturity is measured on how I can control my anger!
- 78. My words have the power to go into my future. To mess me up or bless me up!
- 79. I won't allow an ignorant person to bring me down to their level!
- 80. Even my silent words are power words!
- 81. I choose my words wisely!
- 82. At the end of the day, it's what I say that could change my way!
- 83. I gotta be honest with me!
- 84. I will not be in fear today, God is with me!
- 85. Instead of complaining about what's going wrong in my life, I'm gonna thank God for what's going right!
